

FAQs

Why Scholarship test marks not being shared?

We have made such a policy with respect to this test in order to discourage the candidates who are misusing this test as a mock test for the UPSC Preliminary Examination. It defeats the whole purpose of scholarship as most of the top scholarship is captured by such students. So after thorough deliberation, we came out with this policy for protecting the interests of genuine candidates.

We conduct this scholarship test so that genuinely needy and deserving candidates get scholarship.

What does scholarship in tuition fee means?

The GS Foundation Course fee has three components i.e. Admission Fee, Book Fee and Tuition Fee. This fee amount includes admission fees and Book fees. The remaining amount is tuition fees which almost translates to around 80 percent of the total fee. The scholarship offered is applicable on this 80 percent amount of total fees (i.e. Tuition Fee) only.

How can the scholarship be availed?

Candidate needs to contact NEXT IAS either through phone (8800338066) or email (info@nextias.com) with their personal details and scholarship result. Thereafter, we will deduct the scholarship amount from your account on our registration portal. Then student can pay the fees online or at NEXT IAS center and get enrolled.

What is the Refund policy?

As per the organization policy, written application for refund is accepted but only within 5 days of taking the admission. In such case, admission fee is deducted and rest of the amount is refunded back.

Demo class

Two Demo classes can be allowed on request basis at the start of the classes. It can be availed both in offline and live/online mode.

Is there any provision for Weekend class or special classes for college going students?

There is no provision for weekend classes. College goers are advised to join Live/Online classes – morning batch which starts in April. Students can watch the classes live streamed from our New Rajinder Nagar Classroom. Missed classes can be viewed later.

Is there any privilege for students of previous sessions of GS Foundation batch?
There are lots of privileges and benefits associated with ex-NEXT IAS Foundation Batch students. NEXT IAS Foundation batch students are treated as ex-MADE EASY for privilege discounts at both NEXT IAS and MADE EASY.

What is the Last date to avail scholarship?

9th April, 2020 is the last date to avail scholarship.

Is the scholarship transferable?

No.
